

Company Profile

INTERWALL INTERIOR PRIVATE LIMITED

About us

Interwall Interiors Private Limited is interior contract company established in 2016. Our ethos is excellence in design and delivery; working across architecture, master planning, interior design, and graphic design, our mission is to understand our clients' cultural, functional, operational and commercial needs, drawing on our Thought Leadership and experience to facilitate solutions that work, we believe these to be the essence of good design.

We strive to create the best solutions for client's projects and to ensure high quality and timely project execution. We believe that quality and timing project implementation are very critical to the success of our business.

The company is well placed to offer speedy execution in respect of interior decoration with a large team of workforce of carpenters, interior masons etc. The company has also created and strengthened in house capabilities for supervision and execution of large turnkey jobs involving the entire scope of interior works like partition, paneling, false ceiling, furniture, all interior civil works and the finishing works.

We are dedicated to give our best to satisfy every customers by having a solid network with suppliers and field workers. In the long term business plan, we are looking forward to give more contribution for this planet by planning, designing and constructing the best we can. The professionalism at all level ensures that the planning and preparation gives the customer top quality results. We will always put in front that customer satisfaction is the most important thing to maintain.

All clients are provided with a full-time dedicated team that ensures adherence to budget and timelines.

Our aims is to develop design & implement the most innovative yet cost effective solution for each project of its size whether it is fresh design or a total redesign to increase the amount of usable space. We incorporate end-to-end process within a project by providing all the required services to design & build your interior space by managing the project from the first point of contact through to handling over the keys.
